## **ANGLIA BOOK DISTRIBUTORS LTD – LIBRARY SUPPLY SERVICES**

Our company, Anglia Book Distributors Ltd, specialises in the supply of tertiary & vocational training publications for higher academic institutions, institutional libraries, commercial organisations and individual students. We are located in the Trade Fair Showground at Chichiri, where we hold a very wide range of up-to-date material from the leading international publishers such as; Pearson Education; Cengage; McGraw-Hill; Oxford University Press etc.

Our current stock includes many core textbooks for a wide range of professional qualifications, ranging from entry level / first year students up to MBA and higher level courses. In addition, we have an extensive selection of *management; accounting; marketing & sales; economics; financial management; information technology; statistics;* publications, suitable for "in-house" training / resource centres.

The development of management skills is a major issue for all commercial & industrial organisations. Available ex stock are key management development titles, published by Kogan Page; Thorogood Business Books; HB Publications and Cengage. These cover topics relating to *general management skills; sales & marketing; human resource management; and financial management.*

We also offer a "Special Order" service for non-stock publications. Should you require a specific publication which we do not necessarily hold as a stock item, then we offer a facility to source and supply these.
